CORE COMPETENCIES

Business Analytics

- **Enhancing data-informed decision-making through robust analytical capabilities.**
- **Services include Big Data Visualization, Data Engineering, and Data Science to uncover hidden patterns and unknown correlations.**

Healthcare Services

- **Independent Medical Examinations (IME) and associated services.**
- **Disability, medical, PTSD, and TBI evaluations.**
- **Physical examinations (periodic, pre-employment, and fitness-for-duty).**
- **Transcription services and medical consultation.**
- **Integrated Disability Evaluation System (IDES) and Benefits Delivery at Discharge (BDD) support.**

Open-Source Intelligence (OSINT)

- **Gathering intelligence from publicly available sources, including print, electronic, radio, television, newspapers, journals, and online platforms.**

Counter-Insider Threat

- **Mitigating malicious threats to critical assets from internal personnel.**
- **Services include User Activity Monitoring, Behavioral Analysis, Case/Referral Management, and Machine Learning Analytics.**

Counterintelligence

- **Hardening assets, enclaves, and enterprises using systematic approaches and industry best practices.**
- **Services include Governance, Security Operations, Risk Management Framework (RMF), Cyber Threat Analysis, Secure Engineering, and Cybersecurity Training.**

Program Management

- **Expertise in managing and delivering complex information technology programs.**
- **Services include Project Management (PMP, Agile/SCRUM), Risk Management, Financial Management, Business/Project Analysis, Requirements Management, and Change Management.**

DIFFERENTIATORS

Veteran-Owned Expertise: BM&M brings over a decade of experience in Veteran Disability Claims and healthcare services, ensuring quality and precision in every claim.
Mission-Driven Approach: We focus on filling needs, not seats, delivering predictive business engagement and guaranteed results.
Comprehensive Solutions: BM&M provides a company-wide approach, not just individual services, ensuring seamless integration and execution.
Industry Leadership: Our systematic approach and adherence to industry standards (NIST, DICAP, PCI) ensure best practices in all engagements.
Commitment to Small Business Goals: BM&M actively supports small, disadvantaged, and woman-owned businesses in federal contract awards and subcontracting opportunities.
